SPONSORSHIP INFORMATION

Thank you for your consideration to sponsor the 2018 Power Up! Idaho Out-of-School Summit, the only statewide conference dedicated solely to out-of-school time.

POWER UP!

Signature Sponsorship

Support the entire Summit as a Power Up! Signature Sponsor. Sponsorship includes predominant presence at the event, in promotional materials, as well as in the program. Also includes an opportunity to address the attendees during one of our plenaries! In 2017, over 190 out-of-school professionals and supporters attended the Summit from all over the state. This is a great opportunity to show support for out-of-school programming for Idaho youth, as well as connect with providers statewide.

STEM Day Sponsorships

\$500-\$1,500

Idaho is facing a skilled workforce shortage, specifically the skills of Science, Technology, Engineering and Math (STEM). Out-of-school programs offer our youth and communities a great opportunity to explore these topics with more time for field trips, hands-on activities, curiosity and exploration. Plus, no grades! The first day of the Summit will be designated to all things STEM - hands-on activities, breakout session and great speakers. Sponsorship includes predominant presence at the event, in promotional materials, as well as in the program.

MEAL & BREAK Sponsors

\$250-\$750

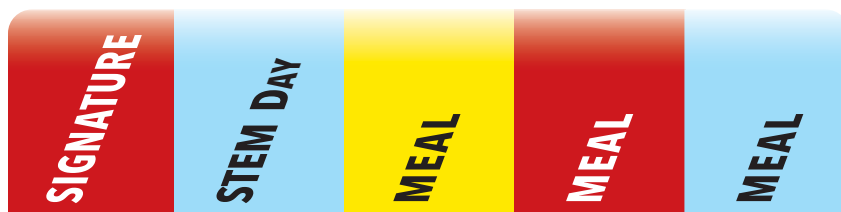

The day will be packed with inspiring speakers, partner exhibits, breakout sessions and statewide networking. But we plan to feed our Summit attendees well! Consider sponsoring one of the meals or 'networking' break times. We will begin the second day of the Summit with a Breakfast of Champions, recognizing Idaho's out-of-school champions from 2017. We will also serve lunch mid-day and offer two networking break opportunities. These are great opportunities to highlight sponsorships.

*\$250 Break Sponsor \$500 Breakfast of Champions Sponsor
\$750 Keynote Sponsor*
