

IDAHO OUT-OF-SCHOOL NETWORK

Power Up Summit 2020

September 9&10

RIVERSIDE HOTEL • BOISE, IDAHO

Dear Partners,

You make a difference in our community! Please consider being a sponsor for the Idaho Out-of-School Network's 7th annual Power Up Summit. This year we will be empowering leaders and program providers to delve into social emotional learning (SEL) and how knowledge, practice and awareness impact the overall health and quality of ourselves and the programs serving youth.

The Summit will host 200 or more people in Boise on September 9th and 10th and is Idaho's only conference dedicated solely for professionals working in out-of-school time (before and after school and in summer learning programs). This conference celebrates heros in the community, connects people serving youth, empowers and energizes us to be creative and work together to meet the needs of families and youth statewide.
