Harwood Elementary School in Rigby, Idaho, is located within Jefferson School District and serves students from kindergarten through fifth grade. During the 2021-22 school year, the program operated Monday through Thursday until 6:00 p.m., serving an average of 80 students per day through academic support, enrichment activities (e.g., arts/crafts, STEM, music, cooking), and physical activities. All data provided here are based on surveys completed in the Spring of 2022 by 33 family members of participating students and 8 program staff.

The Harwood Program received $23,842 from the Idaho Out-of-School Network, which was combined with other resources to provide program services for participants during the 2021-22 school year.
