

Idaho Out-of-School Network* At-a-Glance

*Formerly Idaho AfterSchool Network

Highlights from 2017

All-girl FLL robotics team from Notus, funded by F3 Idaho Project, coordinated by ION

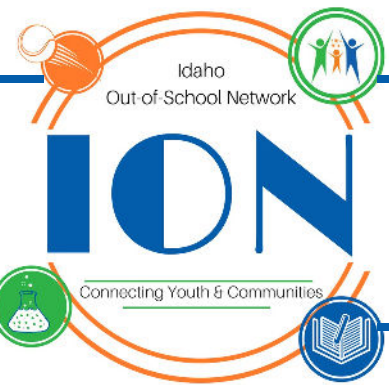

Breakout session at the statewide 2017 Power Up! Summit, hosted annually by ION

Student at CSI planetarium during 2017 Zero Robotics Program, coordinated by ION

Mini-grant recipient, Bridge Community Center, received funds for musical instruments

Going beyond 2017!

We changed our name from Idaho AfterSchool Network to Idaho Out-of-School Network to better reflect our mission.

Our work will continue!

Thank you to the CS Mott Foundation & Idaho financial match partners for investing in ION's 2017-2020 strategic plan.

Hosting Events Throughout Idaho and Online

Since kicking off our professional development and networking events in September 2015, the IAN has **trained and connected** a total of **1,639** registrants/people.

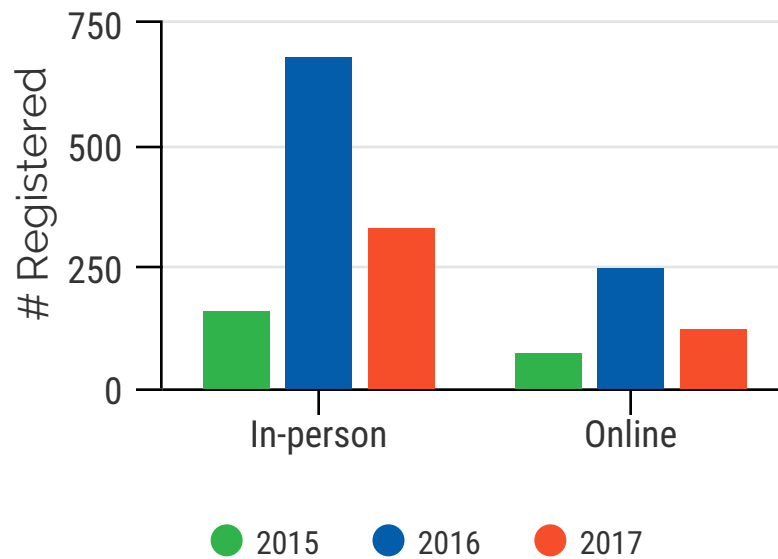

* Significant staff time in 2017 was dedicated to extensive strategic planning and securing funds for the Network

Types of trainings, events and gatherings hosted by the Network
